COLLEGE RALLY PAYS TRIBUTE TO NEIL O. THOMAS

San Jose State college turned out en masse at 11 o'clock Friday in the quad to pay farewell tribute to Captain Neil O. Thomas, student controller, who left yesterday for Fort Lewis, Washington, for a one-year period of active duty in the army.

Brief talks honoring Captain Thomas were given by H. F. Minssen, vice-president of the college; Paul Pitman, dean of men; Dee Portal, senior class adviser and boxing coach and Bill Sweeney, junior class adviser.

Student President Bob Payne presented Mr. Thomas with a leather traveling kit in behalf of the students. Gay Van Perre acted as master-of-ceremonies.

Mr. Thomas has been at San Jose State college since July, 1927. He has a one-year leave of absence from his work in order to fill his active duty in the Army. Bud Stewart, assistant controller, will assume his duties during his absence. Dean Pitman will act as adviser to the Student Council.

Faculty Member, Student Called To Colors

"Hello, Marine!" "Hello, Soldier!" That's the way Captain Neil Thomas, left, and Bob Grewohl, freshman Industrial Arts major, greeted each other last Friday. Thomas left yesterday for Fort Lewis, Washington, to serve a year in the United States Army, while Grewohl, corporal in the Marine Reserves, has been notified that he is to be called back to the colors soon.

FROSH PULL 'BLITY'; STILLWELL ON TRAIL

Superintendent of Grounds Joseph Stillwell wants to bag himself a couple of freshmen.

Showing commendable class spirit but little sense of direction, an undetermined number of lower-classmen crawled up on the skylight above the college pool Thursday night and hung a sign inside the Men's gym welcoming freshmen to the Junior-Senior mixer.

But what irks Mr. Stillwell is that during the escapade the invaders broke one of the panes in the skylight and scattered broken glass in the swimming pool.

The superintendent is more busy trying to apprehend the culprits.

Big Game Dance Planned For Nov. 9

First formal dance of the year, Delta Theta Omega, on-campus social fraternity, announces its Big Game dance to be held at the Milbrae Country club, San Bruno, November 9.

This year the dance will celebrate the annual grid conflict between San Jose State college and the College of Pacific to be held in Spartan stadium, November 8.

Jim Meredith, master of the fraternity and chairman for the dance, announced yesterday that Hal Moreno and his band will play. Moreno's orchestra played for the annual Inter-fraternity dance last year.

Bids may be obtained from the Controller's office or from DTO members.

ORCHESTRA FEATURED IN SAN JOSE PLAYERS' SHAKESPEAREAN COMEDY

BY IRENE MELTON

A four-piece orchestra under the direction of Miss Alma Williams, assistant professor of music, will be one of the features of the San Jose Players' production, "Much Ado About Nothing", to be presented in the Little Theatre Thursday, Friday, and Saturday nights at 8 o'clock.

Members of the musical group are Margaret Moore, first violinist, sophomore music major; Louise Midwinter, second violinist, junior music major; Leo Wadsworth, cellist, senior music major from Ontario; and Manuel Saenz, junior music major who will play the flute.

Music for the production and special accompaniment for the Alameda, medieval dance in the second act of the play, will be arranged by Miss Williams. The dancers perform masked, according to Miss Marjorie Lucas, physical education instructor who is directing the dance group.

Wendell Johnson, instructor in play production who has been called East is mailing designs for the Shakespearean comedy sets in order to complete them by Thursday night's performance, according to James Clancy, director of the play.

TICKETS ON SALE

Tickets for the show are now on sale in the Speech office at 25 cents for student body members and 50 cents for the general public.

Principals in the drama are Ellen Wylie, playing the role of Beatrice, and Major West, who portrays Benedick.

Sets are being constructed under the supervision of Peter Mingrone, who is also directing the all-woman stage crew.

PEACE GROUP SPONSORS DISCUSSIONS

First of a series of discussions on "Hot Spots in the World" will be held at a meeting of the open forum sponsored by the peace committee of the college YWCA in the Student Center tomorrow evening at 7:30.

Marvin Brubaker, student chairman for this meeting, will direct the discussion and lead the group in deciding on topics for the following weeks. The forum plans to meet alternately on Tuesday evenings at 7:30 and Thursday mornings at 11 o'clock.

Fencing Students Given Instructions

Men and women beginners in fencing will be given instruction at the Fencing club meeting Mondays and Wednesdays from 12:15 to 1 o'clock in the Women's gym, announces Dorothy Cooper, representative.

All students interested in the club are invited to attend, Miss Cooper said.

SAN JOSE COMES BACK 80 YARDS TO DEFEAT U.S.F.

HUBBELL SPARKS TEAM

You can change that old Hawaiian war chant to "Huba-huba" as far as a couple of thousand State students are concerned.

For it was Dick "Huba-huba" Hubbell, Island fullback, who sparked the last quarter 80-yard San Jose drive to a touchdown. Dick put on the finishing touches himself, by plunging over from the two-yard line in two vicious cracks at a stiffening Don forward wall with less than 5 minutes to play.

RALLY OFFICIALS PLAN FRESNO EXCURSION

With success of one excursion credited to their list, rally officials will complete arrangements by which local rooters can see San Jose State college football game in Fresno on Saturday, November 16 at reduced transportation prices.

Tentative plans provide round-trip transportation to Fresno for \$3.50 if more than 360 students go. Trains will leave San Jose at 1 p.m. Saturday arriving in Fresno at 5:15.

The committee is awaiting for word from Fresno officials about after-game activities there.

"It's a little early yet, but start saving your money now. Out of a college of 4000 students, it should be easy to sell 500 tickets," the rally head said.

Football Rooters, 1500 Strong, See State, USF Tilt

More than 1500 Spartan rooters and townspeople trekked to San Francisco last Friday night to witness one of San Jose State college's greatest victories, defeating USF 7-6.

Seven busses loaded with rooters and a caravan of private cars carried football fans to Seals stadium to see the Spartans kick off at 15.

During half-time the San Jose 136-piece "black and white" band performed—forming "USF" for the Dons and "SJSC" for their own alma mater. Also during half-time the USF band entertained with spectators popular music. Petite Janie May Reed, San Jose State's youngest majorette, held the attention of the 14000 rooters which packed the stadium as she waved her baton, and did her stunts. The head yell leader and his assistants were on hand to lead the Spartans and Spartanettes in cheering for the team. San Jose students remained after the game to sing the college hymn, "Hail, Spartans, Hail".

Following the game many students who went up by private car remained to visit in San Francisco hotels.

Kenny Cook, who was wide with a field goal try from the 23-yard line earlier in the game, didn't miss on his second try. With 14,000 fans on their feet, Cook booted the placement high and far through the uprights, with little Howard Costello holding.

80-YARD MARCH

San Jose's drive to touchdown started on their own 20 after Cliff Fisk booted one into the Spartan end zone.

Get Your Tickets Now . . .

With most of the tickets for Thursday and Friday nights already sold, Speech Secretary Helen Mineta has announced there are still several tickets on sale for Saturday evening's performance of "Much Ado About Nothing."

The San Jose Players organization, starting its twelfth year of activities, has gone to a lot of trouble to produce this play, and the actors, and all who have a part in its production, have put in a lot of time. Part of the reason they have put in so much extra effort has been to gain acting experience, but much of the enthusiasm they have shown is due to their desire to give pleasure to the audiences who will witness the three performances of Shakespeare's play.

They have done their part. Now it is up to you to get the most enjoyment from the production. To do this, you should first plan to attend one of the performances; and second, you should plan to buy your tickets as soon as possible to assure yourself of a good seat. The fact that most tickets have been sold to the first two performances indicates that many students desire to see the play, and it also signifies that if you want to enjoy the production it would be wise to get your ticket now.

Today will be the best time to secure your ticket.

Through the Perry-Scope

COACH Ben Winkelman and his staff are wise in blackening the numerals on the football jerseys. Accurate coverage of a football game depends upon being able to read the numbers of the players and sports scribes have been griping about our new jerseys ever since the season began.

An experienced observer of a team can spot the identity of a player by the way he runs or from his part in the play. But the press box is filled each game with sports writers who perhaps are not too familiar with the players and it makes a busy man much busier trying to read unreadable numbers. So both the writers and fans will thank the athletic department for making the change.

Our Daily Gripe

In spite of signs and pictures and editorials, we still notice students plodding across the lawn between the Student Union and the library corner. Considerable labor and not a little money was spent last spring to put new turf in the cowpath across that lawn and now

we are ruining it by carelessness.

We are not writing this to be beefing about something, and we walked across there a few times, too, until someone brought it to our attention. We've never noticed anyone in such a hurry that he couldn't walk around.

Spirited Freshmen

The frosh class is making a bid for a place on the campus which appears to be more spirited than past classes. With a raucous "The freshmen are here!" they announced their presence at the Junior-Senior Mixer Thursday night. Upperclassmen looked toward the north wall windows to see a "Welcome Freshmen" sign hanging on the wall. And then two or three had to be kicked, very forcibly, from the dance. So it looks as if the frosh are an up-and-coming class.

While on the subject of the Mixer, much unacknowledged credit for its success is due to Gay Van Perre, who headed the senior committee and did a great share of the work.

DR. T. W. MacQUARRIE

Just Among Ourselves

I REMEMBER well the draft days in the old war. I was one of the officers sent to Camp Dodge, Iowa, where the 88th Division was to be organized.

During that year we received perhaps a hundred thousand of the fine young men of America, inducted them into the service, trained them for a time and then sent them on to other units and other services.

I had a good chance to see and know many of those men. They were a jolly, wholesome, healthy and enthusiastic group. The spirit was excellent.

They came off the long trains in mobs. We put them through the motions of registration and assignment, and soon they were in uniform and learning the "school of the soldier," the first rudiments of any military drill in the combat service.

I had been teaching for seventeen years at that time, and the army was just another school situation for me. I could not see that many of those men would ever be in great danger. It takes ten men to support one man on the fighting line. There was a one-in-ten chance for any man to be sent into action. Actually a

war situation right now is not as dangerous as a trip to San Francisco on the Bayshore.

For most of the men of H company the war was a very great adventure. Most of them were from the farming districts of the Northwest, and some were from the southern mountains. Few of them had had any advantages. A great many of them had never seen a toothbrush, many had never turned on an electric light, and many, perhaps more than half, had lived in homes where sanitary plumbing was not even a prospect. A bath was an event.

I told the men one Saturday morning at inspection that I thought they should consider the situation an opportunity and not a calamity, that each one of them should make it a point to gain some advantage personally from the training and the contacts. I suggested that at the next inspection I would have them tell me what they expected to get out of it all for their own personal good.

Next week came, and I went down the long line with a clerk and recorded their answers. Some twenty of them had never learned

to read, and wanted to know if they could get such instruction. More still had never learned to write, and they wanted to be able to write a letter. One big fellow, who was round-shouldered, said that he would "like to get straightened up". Another looked at his big, grimy hands, cracked and calloused, and said, "Well, Captain, I'd just like to get my hands clean once." Some of them wanted to learn wrestling, and some boxing. Several had little physical disabilities that they wished to have corrected.

We helped many of those men to meet their objectives. It was pretty hard for some of them to get "readin' and writin'" but we had a sergeant who was an old school teacher, and he rather enjoyed putting them through their school work. I saw some of them in France, and they told me they were actually writing letters home and were reading the letters they received. (It's very dangerous for a soldier to entrust a letter to another soldier, especially a love letter. One never knows what the young lady may read.)

Well, anyhow, the war training was a great advantage and a benefit to hundreds of thousands of men. If you are called up by the draft, go gladly at your country's call. You'll probably find it a benefit instead of a calamity; a thrilling, satisfying experience.

SPARTANS THRILL LARGE CROWD WITH COMEBACK

(Continued from Page One)

Hubbell, who was the big difference between victory and defeat, brought the Spartans to sudden life with a lightning-like 21-yard dash up the Don middle, being stopped only by the USF safety man.

"Howie" Costello, who played a bang-up game, took up the "go" signal and skirted the Don left side for 20 yards, landing on the USF 39. Costello cut in and out beautifully and would have gone all the way if he hadn't tripped over Ray Belnap who was in the process of blocking out a Don tackler.

Hubbell again took over and hit the Don line for 7 yards in two tries. Costello picked up one, and with fourth and two necessary for a first down, Hubbell dove furiously into a pile-up of Dons for three and a first down to the 28.

Costello made three in two tries and Hubbell picked up two to place Sparta on the 23, with fourth down and 5 to go for a first down.

NYGREN MOVES

On a beauty of a double reverse which sucked the Don defense to the San Jose right side, Bud Nygren outran a couple of Dons to his left for 21 yards to the USF two-yard line. Hubbell and Cook did the rest behind a Spartan line which dug its cleats deep into the Seals stadium sod to hold back the onrushing Dons.

San Jose displayed its fighting fury by coming back as it did after the Dons had scored 6 points on a pass from Mosconi to Ramus with less than a minute remaining in the first half.

The Spartans badly outclassed the Dons in the first half despite the enemy score, and twice drove to within scoring distance.

TORNELL, COSTELLO

Truck Tornell and Costello featured the first drive after Joe Rishwain recovered Visentin's fumbled punt return on the Don 42.

Costello, digging hard, boomed through the big USF secondary like a mighty mite for 11 yards. Tornell followed with 11 yards in two cracks to end up on the 20.

Thrown back to the 23, San Jose sent Captain Cook back for the field goal which failed.

With Hubbell in the ball game, San Jose surged to its second scoring threat which was halted on the Don 19. Minter opened the drive by returning Fick's punt 13 yards to the San Jose 37.

Hubbell hit center for 5 yards, and then broke loose on the next play for 19 yards to the Don 39. Minter scooted for 9 around end, and Hubbell made it another first down on the 28.

After Minter lost one, Hubbell made 9 on a spinner. Hubbell and Minter tried the Don left side twice, but fell short of a first down by less than a foot and the Dons took over.

SPARTAN EDGE

San Jose really deserved to win the ball game. They had a big edge in statistics, piling up 12 first downs to five for the Dons. Scrimmage yardage favored the Spartans, 260 to 40.

You can't give this guy Hubbell enough credit. He sparked a Spartan team which couldn't seem to

SOCCER OUTLOOK BRIGHT

SPARTANS DUMP GOLDEN BEARS, 2-0, FOR FIRST TIME IN SCHOOL HISTORY

Ernie Figone, Frank Martella Kick Winning Goals For Decisive Win

Hopes for San Jose State college soccer team to retain its Northern California Intercollegiate conference championship crown look bright after it overcame a major obstacle Saturday by dumping University of California, 2 to 0, on the soccer field near the Spartan stadium.

It was the first time in the history of the soccer conference

that the Spartans have downed the Bears. Coach Hovey McDonald's men by far outclassed the visitors. They were on the ball most of the time and had that never-say-die spirit.

As in the season opener against San Francisco State, which Macmen won, 3 to 1, the locals took an early lead and took care to protect the advantage.

After about five minutes of the contest had been played, San Jose received a free kick and Ernest Figone, right half, booted a beauty over the goalie's head from about 25 yards out.

In the second quarter after the Spartans had threatened to score several times, Frank Martella kicked a nice one between the upright from the left sidelines.

Although both teams threatened to score in the second half, the goalies and fullbacks succeeded in keeping the ball from pay dirt. San Jose's lead was never threatened.

Most outstanding player of the day was Phil Nell, left full. Although he was playing for the first time in his collegiate career, he played a whale of a game. The players and coach highly praised the up-and-coming player.

Captain Freddie Albright made life miserable for opponents from his center half spot. Ray Fahn, inside left, Art Tindall, center forward, and Gus Kotta, center right, played a bang-up contest. Tony Nasimento did a fine job at goalie.

Nasimento, Roy Diedericksen, right full who never failed to boom the ball when it came his way, Nell, Tindall, Ed Turner and Ernest Figone played the entire 88 minutes. Merton Crockett, Fahn, Kotta, John Peebles and Albright were also on the starting line-up.

Starring for the visitors were Shamil Ibragimoff, who is from Turkey, and Bob Williams, fullbacks, and Miller Jensen, goalie. Harry Post was the referee.

Former Spartans Play On Pro-Team

Leroy Zimmerman, 1939 little all-American fullback, and Bob Titchenal, captain of last year's undefeated Spartans, are doing well in professional football ranks, according to press clippings received here recently.

Both Zimmerman and Titchenal play on the Washington Redskins and saw action in the Redskins' 40 to 10 victory over the Pittsburgh Steelers recently.

along with Jack Sarkisian, played swell defensive ball. Give Hansen a lot of credit too for leading a hard-charging Spartan forward wall.

A couple of cheers also for Joe Marelich, San Francisco boy, who opened at right end for San Jose. Marelich, with Ed Wenberg and John Allen, gave the Don backs a bad time with their defensive play.

Novice Coaches Drill Teams For Mat Tourney

With only two weeks remaining before the big all-collegiate wrestling tournament, varsity coaches are feverishly drilling their teams for the contest. However, there is still time to sign for the tourney as there are vacancies on some teams, according to Coach Sam Della Maggiore.

The varsity house squad coached by Mel Bruno is the team to beat at this moment. Bruno boasts a heavy squad composed largely of Spartan athletic greats, who are primed to carry off major honors in the heavier divisions.

All boxers interested in competing in the novice wrestling tournament, sign-up with Davey Hines in the small gymnasium any Monday, Wednesday, or Friday afternoon between four and five.

With the emphasis upon condition, Bruno has been conducting morning roadwork and secret practice to keep rival coaches from learning his strategy. Indications show that the Bruno-coached aggregation will depend largely upon Ju Jitsu.

Another squad that will give Bruno stiff competition is Kuhl's "Nazis," according to Coach Karl Kuhl. A secret hold, the German jawbreaker, has been perfected by Kuhl, and his men are expected to use it with devastating effect.

Co-Coaches Davey Hines and Con Lacy of the "Boxers" have a strong squad in the lower divisions, but are weak in the upper weights, according to Hines. The "Boxers" are expected to sweep every division below the welterweight.

Outstanding men entered by the "Boxers" are Bob Weber, 115; Bill Sellers, 121 Dick Myagawa, 127; and Dave Siemon at 145 pounds.

Freddie Albright's soccer octet is an unknown quantity. Albright refuses to divulge the names of his men until the night of the contest. Only hint of their identity is the fact that they are all soccer players.

GEORGE KLINGER DASHES 95 YARDS FOR SCORE

With 45 minutes of playing time left, Halfback George Klinger returned a kickoff 95 yards to give the Spartan freshmen a 13 to 7 win over Marin junior college Friday night.

95-YARD RUN

Trailing 7 to 0 with two minutes left, Marin, with Pete Artero carrying the ball, drove 20 yards on four plays to knot the score at seven all. On the very next play Klinger received the Marin kickoff on his own five-yard line and behind perfect blocking ran the entire length of the field to score without a hand being laid on him.

The first quarter found the Spartans willing to kick and wait for the breaks. Klinger kept the Marin eleven deep in their own territory with kicks of 60 and 65 yards.

LINE HOLDS

Finding the Spartan line a tough nut to crack, the jaycee team tried to score through the air. Twice they drove within scoring distance; but lost the ball on downs each time. The line play of Charles Uhrhammer and Del Colclough kept the Marin backs bottled up.

Not to be outdone in the passing department, the Spartans, with Al

Hardesty tossing and Forrest Michaelis receiving, the frosh drove down to the ten-yard line only to lose the ball on downs.

The yearlings opened the second half with the same team that started the ball game. They quickly backed the junior college eleven to their three-yard line, which set up the first scoring play for the Spartans. Don Thompson broke through on the next play to block a Marin kick behind the goal line, where Vic Robinson fell on it for six points. Cliff Francome converted to make the score 7 to 0.

TIED THE SCORE

Marin came back in the fourth quarter after knocking on the Spartan goal line twice to tie the score. Early in the last period Marin, with first and goal to go on the one-yard line, failed to score through the center of the yearling line and lost the ball on downs.

The playing of Sag Saghatelian at center and Thompson at end was the bright spot of the frosh eleven. Coach Fred Hamlow's starting backfield of Buzz Perego at quarter, Earnest Luke and George Klinger at the halves and Jay Parker at full looked good while they were in the game.
